### DESCRIPTION

Elegant herbaceous notes provided by the Cabernet Franc are perceived in this wine, together with lively black fruits and spices conferred by the Merlot. Medium tannins that allow it to be accompanied with red meats and pasta.

The fruit comes from our optimal vineyards for the development of this grape due to the high level of insolation and thermal amplitude. Intense ruby red in color, with black hues, typical of the variety, it has an intense aroma dominated by notes of red fruits. Subtle and sweet entry. With good acidity, it presents soft tannins that blend very well with the fruit. Elegant and memorable. Easy to drink.
