Description

This limited edition of Ancellotta is a selection of grapes from our Cortaderas estate. This wine was fermented in steel tanks, after 5 days of maceration the pomace is separated and the wine finishes fermenting at low temperatures. His subsequent rest was made in American oak barrels for ten months. An intense color wine, expressive on the nose and very powerful on the palate. Red fruits and ripe plums, spices and soft wood are felt. Unctuous with present tannins that give it a great, long and persistent finish.
