

TIERRA DE VOLCANES

PUNA OF CATAMARCA

Terrain Series

BLEND

In our Andes mountain range, in the northwest corner of the province of Catamarca, there is the biggest concentration of the highest volcanoes in the world. Our vineyard parcels in these Lands of Volcanoes express the essence of their origin. Cold winds and wide thermal amplitudes make our identity.

Technical data

- **Varieties:** 47% Malbec, 43% Cabernet Franc y 10% Merlot.
- **Fermentation:** Bins of 500 kg of grapes for 15 days. After racking, end of alcoholic fermentation in oak barrels.
- **Aging:** 8 months in third-use French oak barrels and 6 months in the bottle.
- **No clarification or filtration.**

Description

Elegant herbaceous notes provided by the Cabernet Franc are perceived in this wine, together with lively red fruits and spices conferred by the Malbec and Merlot. The slight aging in oak further increases the complexity of this wine, giving it delicate smoky and toasted touches. The solid structure of this wine allows it to be paired with red meats and elaborate dishes.
