PUNA OF CATAMARCA

*Terrain Series*

## MALBEC CORTADERAS

In our Andes mountain range, in the northwest corner of the province of Catamarca, there is the biggest concentration of the highest volcanoes in the world. Our vineyard parcels in these Lands of Volcanoes express the essence of their origin. Cold winds and wide thermal amplitudes make our identity.

### *Description*

This is a deep red wine with violet hues. On the nose, intense and concentrated, it presents notes of cassis, raspberry, characteristics of Malbec from the Cortaderas vineyard, accompanied by tobacco and liquor provided by aging in oak. On the palate, with a sweet impact and great complexity, it is broad, with a long and persistent finish. Ideal to accompany grilled meats.
