

TIERRA DE VOLCANES

PUNA OF CATAMARCA

Terrain Series

MALBEC VOLCANIC SAND

In our Andes mountain range, in the northwest corner of the province of Catamarca, there is the biggest concentration of the highest volcanoes in the world. Our vineyard parcels in these Lands of Volcanoes express the essence of their origin. Cold winds and wide thermal amplitudes make our identity.

- **Vineyard:** Pascual Longo.

Description

The grapes for the production of this wine come from Pascual Longo Vineyard, with great light intensity and sandy soils with excellent drainage. Low yields, wines of extraordinary concentration, with unbelievably soft and velvety tannins.
